Welcome!

On behalf of everyone associated with Music in the Vineyards, we are delighted to welcome you to our Twentieth Anniversary Celebration, Midsummer Mystique.

Our sincere thanks to our patrons and partner wineries without whom we would not be commemorating this important milestone.

Music in the Vineyards, a nationally acclaimed chamber music festival, features nearly 40 world class artists-in-residence from the US, Europe and Canada. Our unique winery settings, classic and modern chamber music selections and musical anecdotes and insights shared by our Artistic Directors, Daria and Michael Adams, provide an intimate and memorable experience. We hope you will join us this season and the next and the next.

Our thanks as well to the many volunteers who help out at concerts and with fundraising events. A special thank you to Rhondda Grimm, who has worked tirelessly to create the beautiful ambience of tonight's party.

During dinner there will be a brief live auction. We hope you will bid generously and often to benefit Music in the Vineyards and the many programs we support.

Have a great evening, and thank you again for joining us in our celebration and for your generosity.

1 2 fund a need

The Gail and Harry Adams Resident Artists Fund

Each year Music in the Vineyards attracts world-class artists to the Napa Valley, musicians such as the Pacifica and Escher quartets and soprano Dawn Upshaw. Funding to secure musicians of that caliber is an essential need of the festival so in 2013 we launched the Gail and Harry Adams Resident Artists Fund, to assure that these artists and more will be here to perform for you in your own backyard.

And while great artists are—well, great—it's of no use if our ticket prices soar in order to afford them. We at MITV are dedicated to keeping our concerts as accessible as possible with ticket prices at a reasonable cost.

The fund is named in honor of Gail and Harry Adams who founded the festival along with Michael and Daria. They had a dream that the festival would become and remain one of the greatest music festivals in the country, offering incomparable resident artists. We ask that you honor their memory and keep their dreams alive by making generous contributions to the fund. Your donation will be used to sustain the remarkable artistry that Music in the Vineyards has consistently delivered to audiences throughout the Napa Valley.

Thank you!
